

OUR WINE LIST

Day-coloured wine, night-coloured wine, wine with purple feet or wine with topaz blood, wine, starry child of earth, wine, shoots a golden sword, soft as lascivious velvet, wine, spiral-sea shelled and full of wonder, amorous, marine; never has one goblet contained you, one song, one man, you are choral, gregarious, at the least, you must be shared. The blend can be made to any number of variations, but the combination typically draws on the power and structure of Cabernet Sauvignon, the sweet, juicy fruit flavours of Merlot and the rustic, sour-cherry tang of Sangiovese. The wines may be produced in a style suited to early consumption or built into robust cuvees that require many years of bottle maturation to reach their peak.
